**About the Wounded Warrior Canada charity:**

Wounded Warriors Canada is a non-profit organization that helps Canadian Armed Forces members – be they regular force or reservists – who have been wounded or injured in their service to Canada.

Through a wide range of programs and services, we help find solutions where gaps have left our veterans

Currently, our primary focus is on mental health and, particularly, the staggering impact of Post-Traumatic Stress Disorder, perpetrated by Operational Stress Injuries. Overall, however, our mandate is to help any Veteran in need as they transition to civilian life.
